

## Please Do Your Share October Is Red Cross Fund Drive Month DID YOU KNOW?

That in the twelve month period ending June 30, 1974 that the Red Cross Blood Bank gave more than 518 pints of blood to needing members of our community? That over 505 pints were dispensed at Mercy Hospital?

The Crawford County Citizens, during the same period, gave 258 pints of their blood to the Bank?

That our Red Cross Service to Military families, so dedicatedly served by Mrs. Gerry Muth made over 200 telephone calls, some as far away as Thailand, at a cost of \$410.02 to assist hundreds of members of the Armed Services and their families in emergencies generally related to serious illness or death; and provided over \$365 in loans or grants to other Service members, mostly of this County?

That the First Aid and Water Safety activities has 5 certified instructors, guided so unselfishly for years by John Galloway, and has held countless meetings in Grayling and at Kirtland Community College, instructing hundreds of our youths and adults in life saving, artificial resuscitation, and other first aid emergency procedures?

That the Loan Closet, manned day and night by Ernest and Helen Moon, has provided over twenty pieces of equipment - crutches, walkers, wheel chairs, beds, side rails, lift bars, commodes, exercycles, etc. - to seventeen needing families last year?

That if there ever is a disaster in Crawford County - and tornados have actually hit in counties almost next door to us - it is the American Red Cross who would immediately provide the shelter, food, medication, clothing and other services needed, whether the bill was \$10,000, \$20,000 or a \$100,000?

Although Crawford County's financial needs to do the Red Cross job properly is modest, last year our giving was so modest, that a \$300 surplus from the previous year was consumed and a \$300 grant had to be obtained from the Detroit Regional Headquarters of the American Red Cross to meet out expenses?

CAN WE, AS CITIZENS, AFFORD NOT TO PAY OUR FAIR SHARE OF THE PREMIUM FOR THIS KIND OF INSURANCE?  
WON'T YOU PLEASE SEND AS GENEROUS A CHECK AS YOU CAN TO:

## Building Trades Program Again Underway At Grayling High School

Once again Grayling High School's successful building trades program is off to a good start. Under the direction of on site instructor, Carl Reynolds, eighteen High School juniors and seniors are building a three bedroom ranch style home located at the corner of Old 93 and Woodhurst drive near Karen Woods. This is the second year of operation of this vocationally certified program. Last year's project came to a successful completion in June with the sale of the house located on Woodhurst Drive.

The program is directed by a Citizen's Advisory Committee made up of local businessmen in related trades. Serving on the 1974-75 committee are: Dick DuBois, DuBois Lumber; Paul Thomson, Corneli Insurance; Don Jansen, Jansen Plumbing and Heating; Dave Wyman, Builder and School Board Member; Clyde Borchers, Corneli Real Estate; Ron Nagy, COOR Intermediate School District Vocational Programs Co-ordinator; Carl Reynolds, On-site director, Fraser Dean, Superintendent of Schools and Kent Reynolds, Grayling High School principal.

A new addition to this years program are boys with experience in last years program as a junior is working as a foreman on each shift. Boys in this years program are:

Morning crew: Leon Budd, George Cooper, Joe Ely, Ron Everson, Herman Miller, William Nelson, Justin Potter, James Sanderson and Dan Walker.

Afternoon Crew: Dave Hagel, Mark Gintner, Troy LaMotte, Mark McNally, Jerry Dixon, Ken McPherson, Scott McClain, Jim Lozon and Ken Huber.

CHECK BLUEPRINT—Ken McPherson, Dave Hagel, Mark McNally, and on-site director, Carl Reynolds look over the blueprint of the new home.

## Chamber Extends Membership Drive To October 21st

The Board of Directors of the Grayling Regional Chamber of Commerce at their October 3rd meeting acted to extend the Chamber Membership Drive to October 21st as they feel that it will be possible to move the barometer to the 100% mark.

Membership Assessments received in the Chamber Office this week include: Four Seasons Homes, Inc.; Grayling Broadcasting Co.; Grayling Mercantile, Grayling Pharmacy, Timberly Village and the Yardstick.

New member added is the Crawford County Historical Society, Inc.

The Membership Barometer now stands at 81% as of October 5th, representing those businesses and individuals who have paid their 1974-75 Membership Assessments. The Barometer also shows 75% as that figure representing total monies budgeted for membership assessments.

## Camp Shawono Dedication-Open House

Set For Monday, Oct. 21st

(Special to the Avalanche)

THE NEW D.N.R. GARAGE—Camp Shawono is run by the Department of Social Services in conjunction with the Department of Natural Resources on whose work crews the boys work 5 days a week.

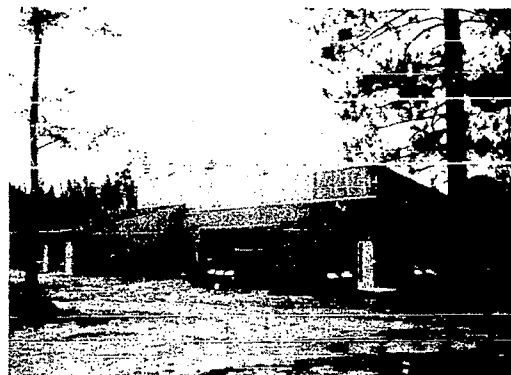

The Citizen's Advisory Action Council of Camp LaVictoire has announced that the formal State Dedication and Community Open House will be held October 21st at the site of the new Camp on Howes Lake Road west of Grayling on M-72. The new Camp has been named Camp Shawono by the group. Shawono was a former name for Crawford County in which the new camp is located. The name Shawono was taken from a Michigan Chippewa Indian Chief.

Camp Shawono is a new \$860,000 facility replacing the present Camp LaVictoire and includes 4 buildings with space for several classrooms, dorms, kitchen and dining area and recreation area. The new camp is designed to provide for about 50 boys from ages 14 to 17 who have been adjudicated delinquent by the courts. The camp is operated by the Department of Social Services, Office of Child and Youth Services in conjunction with the Department of Natural Resources.

The Dedication will include remarks by Judge Eugene Moore of Oakland County, Chairman of the Sub-Committee on Juvenile Affairs of the Michigan Probate Judges Association; Robert Little, Director of the Office of Children and Youth Services; Kathy Kraus, Dedication Day Chairman of the Citizens Advisory Action Council; Richard Manly, Director of Camps, Office of Child and Youth Services and Tom Hazen, Camp Supervisor of Camp Shawono. Other noted figures have also been invited to attend and additional details will be forthcoming. The Grayling Area Senior Citizens (RSPV) under the Direction of Helen Moon, a CAAC member, will also make a presentation to the camp. Following the Dedication, which will be open to the public, there will be a Community Open House with tours of the new camp. The tours will be held at 2 o'clock and again at 6 o'clock for those who would like to attend.

Camp Shawono has been constructed from both Federal and State funds. Twenty-five percent of the \$860,000 cost, or \$215,000, is from State funds and seventy-five percent, or \$645,000, is from the Office of Criminal Justice and is a Federal LEAA (Law Enforcement Assistance Administration) Grant.

The general public is cordially invited to attend both the Formal Dedication and the Community Open House.

THE ADMINISTRATIVE and classroom building. After returning from DNR Work Crew each day, the boys go to school specializing either in getting the Graduate Equivalency Degree or in any of a number of vocational courses such as Service Station Attendant, Welding, Building & Trades, etc.

Set For November 7th

## Kirtland Acquires New Research Tool For Biology Students

The Kirtland library has a new reference service designed for biology students called "Biology Digest," an abstracting journal on the life sciences. Whether you are doing a research paper on the effects of cigarette smoking, or you need help understanding the action of enzymes, or you just want to know more about endangered species, "Biology Digest" can help. It provides an easy-to-use information resource for students in both basic and advanced biology courses.

"Biology Digest" abstracts are informative summaries of recently published articles from major sources of biological information. The abstracts can be used for research or to supplement the course textbook. Indexes, which are included in each issue, quickly guide the user to relevant subject material.

"Biology Digest," which is published monthly, September through May, is now available in the library. The September issue contains over 550 abstracts representing the broad scope of life sciences, including sub-disciplines such as agriculture, ecology, marine biology, medicine, microbiology, zoology, and more. It also includes a special feature article titled "What We Know About Cancers," a career article spotlighting opportunities in the pharmaceutical industry, book reviews, and illustrations.

## Historical Society Meeting To Be Held on October 14th

The Annual Meeting of the Crawford County Historical Society will take place on Monday evening, October 14th, 8:00 p.m., in the office of the Grayling Regional Chamber of Commerce.

All members of the Society and other interested persons are encouraged to attend this meeting.

## Four Bound Over To Circuit Court

Four persons were bound over to circuit court following preliminary examination in district court before Judge Francis L. Walsh.

Robert Louis Stoddard, 30, of Roscommon waived preliminary examination and was bound over to circuit court on three charges of breaking and entering. Bond has been set at \$15,000. Stoddard was arrested on a citizen complaint, August 27th.

James Alva Huffman, 30, of Mancelona was bound over to circuit court on a charge of taking indecent liberties. He is free on a \$2,500 bond. Huffman was arrested May 13th on a citizen's complaint.

James Ray Steiger, 21, of Grayling was bound over to circuit court on a charge of possession of phenylcyclidine. Steiger, free on a \$2,500 bond, was arrested April 15th by the Sheriff's Dept.

Kevin John Shilbe, 17, of Roscommon waived preliminary examination and was bound over to circuit court on a charge of breaking and entering. Bond was set at \$1,000. Shilbe was arrested by the City Police September 30th.

## APPLE CAKE WITH WHIPPED CREAM

That's what the women of St. John Lutheran Church will be serving with coffee, on Wednesday, October 23rd, at the church, between the hours of 2:00 and 4:30 in the afternoon.

There will also be baked goods to tempt your appetite, and a table of Treasures and Trinkets for sale.

Put this date on your calendar, and come in for a treat.

## Installation

There will be an open installation of the O.E.S. Chapter 83, Grayling, on Saturday, October 12th at the Masonic Temple at 8:00.

## TO CONDUCT SCHOOL SURVEY

The Grayling High School is conducting a survey of 1974 secondary graduates. The purpose of the survey is to find out what their graduates are doing and how well they feel school programs have served their needs. The information obtained from the survey will be used in planning better school programs.

Survey forms will be mailed out to graduates October 15, 1974. The completed surveys should be returned by November 15, 1974.

## Ruth Gruitch to Head Local Trout Unlimited Chapter

The George W. Mason Chapter of Trout Unlimited has the first woman president in the history of the Chapter and believed to be the first one throughout the National Organization.

Ruth Gruitch was elected at the Chapter's Annual meeting held recently in Grayling. Ruth was born and raised in Michigan and as a young girl toured the "Jackpine Flats" with her father, P. S. Lovejoy who was one of the first to head the Game Division of the old Conservation Department and was one of the foremost environmentalists of Michigan.

She graduated from the University of Michigan and shortly thereafter married Jerrie M. Gruitch who was a Colonel in the USAF during World War II. Jerrie passed away in 1969.

Ruth returned to the AuSable and the "Jackpine Flats" and makes her permanent home here now. She is an ardent horticulturalist, a fisherman, environmentalist and is listed in "Who's Who" of American Women. She is also a member of the National Horticultural Society, the American Rock Garden Society and the Sierra Club.

The George W. Mason Chapter of Grayling is the first and founding Chapter of this important conservation group, which is nation wide. It is dedicated to preserve, protect and enhance the cold water fishery of North America. Other officers elected at the meeting were: Clyde Borchers, Vice President; Carroll Wert, Treasurer; and Pete Murdock of Gaylord, Secretary.

## Museum To Close For Winter

The Crawford County Historical Museum will close Saturday, October 12th. It will be open the 10th and 11th. Anyone wanting to take their things home, please get them on or before the 12th.

## At Petoskey Friday Night Vikes Over Hurons, 28-0

The Vikings put it ALL together last Saturday afternoon on the local gridiron.

While the defensive squad was holding the Rogers City Hurons scoreless, the offensive team put 28 points on the scoreboard, and combined, made the homecoming festivities a joyous one in Vikingland.

With the entire team having their day, Cliff Bonamie, the Vikings' scatback, had his own, by scoring four touchdowns and passing for a 2-point conversion, and to top his gridiron prowess, he was named Homecoming King during the halftime activities.

This Friday night it appears the Viking ship had better be laden with a lot of fire power when they invade the Northmen at Petoskey, who just happen to be the only undefeated team in the conference.

## AVALANCHE TO CARRY STATE PROPOSALS

The Avalanche for the next four weeks will run one of the state proposals each week that will appear on the ballot in the general election on Tuesday, November 5th.

The proposals will carry the wording that now appears in the state constitution, and how it will read if adopted, as well as how the proposal will appear on the ballot.

We hope this will give our readers a chance to study the four proposals before they go to the polls November 5th. Proposal "A" will be found on page 9 of this issue.

## Businesses Take Note

It has come to our attention that a firm identifying themselves as County Map Service of Cincinnati, Ohio is soliciting by telephone ads from local area businesses to be included in a map publication of Crawford County. These ads involve large amounts of money, and this firm is claiming cooperation with your local Chamber of Commerce.

The Grayling Regional Chamber of Commerce is in no way connected with the solicited promotion by this out of state firm.

The Chamber asks that all area businesses be on the alert to this matter.

Earl H. Longworth,  
Executive Manager

## CLOSED MONDAY

The Grayling State Bank, 1st Savings of Saginaw [Grayling Branch], the Post Office and other Federal Agency's will be closed next Monday, October 14, in observance of Columbus Day.

KIRTLAND RECEIVES GIFT PAINTING—A painting by Adelaide Lurence of Kirtland's Warblers in a natural setting was donated to Kirtland Community College by Jack Alef, President of the Grayling State Bank, and Bill Joseph, Owner of Grayling Mercantile. Robert Bovee, Chairman of the Kirtland Board of Trustees, said, "This beautiful painting of Kirtland's Warblers is a most appropriate gift for the college. It will be displayed with pride on the Kirtland campus. The Board is grateful to Mr. Alef and Mr. Joseph for their generosity." The artist, Adelaide Lurence, resides in the Grayling Community and some of her oils are on display in the Grayling State Bank. Shown above from left to right are Bill Joseph, Robert Bovee and Jack Alef.

## Jack Pine's Stump

With all the recent publicity about Betty Ford's cancer surgery - a truly unfortunate and unhappy occurrence - a little bell rang in my little mind. So I started to go through my files (my files consist of an unholy mess of news clippings, bills, junk mail, old TV Guides and notes to myself), and, lo and behold, I found a letter from a local woman to do with our local Cancer Society and its drive a while ago to raise money. Gwen Johnson, Crusade Chairman for the local group, passed on some interesting information. The group, for the first time in its more than twenty five year history in the area, passed its fund raising goal by more than five hundred bucks. And that's a lot for a community this size. Of course a formidable task force was involved. There were 32 area captains and a total of 78 workers covering the County. That's a small army. All women, from what I hear, some of whom have been doing this sort of thing for ten and fifteen years. Josie McEvers must have the record though; she has been involved for twenty five years that she "can remember." And that's a whole bunch of dedication.

JP-  
A few nights ago I was invited out to a home cooked fish dinner. It was excellent chinook salmon. In order to not offend my purist instincts, the man assured me he had taken

the fish on a "very large dry fly," a fact I knew was a damned lie. He had snagged it of course, just like everyone else does. In fact I think half of Grayling is out snagging those big fish at night. Even my own son - a fact which distresses father very much. Not only that, but some of those died-in-the-wool Trout Unlimited members are engaged in the "sport." I know there are all sorts of good reasons for this snagging business - such as the fish are going to die anyway and the fishermen are helping save the rivers from pollution of dead fish. Me, I don't think I could go for it. First, I don't much like the idea of getting home between three and five in the morning, and second, I don't like the idea of foul hooking a fish. But then, to be honest, I would imagine foul hooking a thirty five pound salmon would end up in quite a struggle to bring the creature in. It's the sort of battle I would like. People tell me once you try it, you're hooked. It's like sex in that respect. Maybe some day I'll give up my lightly-held principles and give the thing a try. But with my luck, the damned fish would probably pull this skinny runt into the water and land him instead.

JP-  
Looks like we might have had the peak of the colors this past weekend. Heaven knows there were enough people around town. One businessman told me wasn't even that busy over the fourth of July. Another was too tired to even talk about it. I imagine they both got a good day's sleep - after they went to the bank on Monday. Maybe I'll manage a good day's sleep, but only if I DO go to the bank on Monday. The outfit I work for isn't very swift about paying dear, sweet, loveable old.....

DINNER-DANCE  
OCTOBER 22nd

[By Lora Gould]

The Crawford County Commission on Aging is sponsoring a dinner-dance to be held at the American Legion Hall on October 22nd. The evening will begin at 5:30 p.m. with a social hour and a roast beef dinner at 6:30, to be served by the American Legion Auxiliary.

C. Patrick Babcock, State Director of the Dept. of Services to the Aging, will be the dinner speaker and immediately following dinner and until midnight, there will be dancing to the music of the Flint Senior Citizen Orchestra under the direction of Marsha Hayes. Mrs. Bern Morningstar's father is a member of the orchestra and they promise you an evening of delightful music for your dancing or listening pleasure.

All persons 50 and over are invited. Tickets are available at the Center for \$6.50 for singles and \$12.00 a couple for the entire evening.

You have been asking for a dress up dinner-dance, here is your opportunity. Get your tickets now. Reservations close the 16th. No tickets sold after the 16th. Call the Center today (348-9314) for your ticket to a lovely evening.

## United Methodist Women

Frank Scott, Manager of Bear Museum showed the film "Route One, Grayling, Michigan," and told the story of Fred Bear's interest in archery and his eventual move to Grayling, which has affected all of our lives. A business meeting followed, and main topics of discussion were the Harvest supper and Faith Promise Bazaar.

The Annual "Harvest Supper" will be held Thursday, November 14th. Betty Wargo, and Ruth Fenton to head up the kitchen committee, Mariynn Fick, publicity, Joyce Vore, tickets, Dottie Williamson and Elsie Larson, dining room. Being liberated women, we even let the men work on our committees and Ernie Larson and Gene Rauch will co-chairman the coffee urns. All members will be contacted to assist these chairmen, to make this the huge success it has always been. This is our main source of income for missions. "Price to be the same" as last year, and more details by the publicity committee closer to the date.

Connie Beatty is the coordinator for the Faith Bazaar, the theme to be "Country Kitchen," with the church basement decorated as an early American country kitchen. The dates are Friday and Saturday, December 6th and 7th. All members are working on this project, with all proceeds to be given to support a Missionary. Meeting adjourned, lunch served in the dining room by Donna Hubbard, and Lois Morningstar.

## Football

[Continued from page 1]

Welland, changed his backfield alignment by moving Mark Hanson into the fullback slot, and moving John Tobin in at quarterback, with Hanson still calling the plays.

The move apparently paid off last Saturday. With Hanson, a 6'1", 185 pound senior, at the blocking back in front of Bonamie, combined with Dave Lovely, Mark McNally and Jim Sanderson on the line to open the way for the Vikings running game.

Bonamie romped for 318 yards, scoring his 4 TD's on runs of 28, 1, 56 and 12 yards, and passed to Tom Hasket for a PAT. Tobin scored the other 2-point conversion on a quarterback keeper.

The Vikings now 1-2 in conference play, and 3-2 overall, have outscored their opponents, 117-76, with Bonamie accounting for 66 points and sharing the M-HSC scoring lead with Mike Streeter of Charlevoix.

Bonamie is also closing in on the Viking's varsity rushing record for a season that is held by Dave Holmes with 989 yards in 8 games. Cliff has run for 788 yards in the 5 games this season.

Grayling's defense turned in its first shutout of the year, as they only allowed the visiting Hurons only a total of 2.02 yards per play, and a total of only 97 yards in the game.

With an optimistic view, coach Welland said, if we can keep this kind of defensive play up, our record can be better than the two previous years in the M-HSC.

Leading the defensive crew was Mark Hanson with 6 solo tackles and 3 assists, Larry Baynham with 3 and 7, and a fumble recovery. Scott Hanson, 3 and 4, and Ted Schlaack with 4 and 2.

In other action in the M-HSC last week, Petoskey and Charlevoix remained tied for first place with 3-0 records. The Northmen just got by Gaylord, 14-6, while Charlevoix dumped St. Ignace, 28-12. All four teams went into Friday's action tied at 2-0. Cheboygan, (1-2), blanked Boyne City, (0-3), 34-0.

## Newspaper Week, 1974

When the revolutionary spirit seethed through the Thirteen Colonies, newspapermen were right in the thick of it, observing and shaping history in their own inimitable style. Although nearly two centuries separate us from revolutionary times, the newspapers of the United States are still tuned to the pulsebeat of the nation and the world, recording current events and trends, keeping an eye on government and advertising needed goods and services.

Newspaper Week, October 6-12, gives Americans a chance to reappraise this important guardian of a free society—the constitutionally guaranteed free press. Unlike many other countries, the U.S. possesses a highly-vocal, inquisitive press. Whether or not you agree with its philosophies or methods of news gathering, one point must be acknowledged. U.S. newspapers are "freedom's watchdog." They must never be hobbled in their right of opinion expression nor in their efforts to bring all the news to all the people. The demise of the free press in the U.S. would mean the end of American life as we know it.

## National 4-H Week

The wealth of a nation can be measured by the intelligence, courage, integrity and compassion of its young people. In a single blink of history's eye, today's young people will be carrying the torch of responsibility for the security, progress and welfare of the U.S.

National 4-H Week, to be observed October 6-12 this year, will honor one of the country's outstanding youth guidance and leadership organizations. The theme is "4-H—We Can Make it Happen." Involved in the 4-H programs are 500,000 adult and teen-age volunteer leaders and five million members, ranging in age from nine to nineteen. The programs cover a wide range of skills and knowledge essential to successful living—including Individual and Family Resource Management; Animals and Poultry; Energy, Machines and Equipment; Health, Personal Development and Relationships.

The training and experiences in 4-H programs have unquestionably proven to be a rich source of satisfaction and help to the more than 33 million "graduates" in building their adult lives. During its special week in October, and throughout the year, 4-H deserves the support and cooperation of every American. It is helping to build the human resources that represent the nation's future.

**MOVILLE, IOWA, RECORD**—"Money is one of the necessities of life because it is the medium of exchange. The value of money lies not in what it is, but in what it can do. Money is the worker's reward. For his labors in the field or factory, he receives money to buy the food, clothing, shelter that keep his family happy and healthy. If anything, this is an important part of the 'system'—that individual effort is properly and justly rewarded."

**AKRON, OHIO, SUMMIT COUNTY LABOR NEWS:** "A cattleman in Tyler, Texas, was paying \$50 a truckload to have manure hauled away before the current energy slump. Now, he hauls his own and gets \$250 a truckload. The moral of this story is: Stop throwing it around, you just might have the makings of a smelly million..."

## THE BIBLE SPEAKS

From Calvary Baptist Church

### SIN IS FUN?

Sins are increasing in these last days, just as the Bible said they would. (II Tim. 3:1-5) We may expect men to sin because natural man is born a sinner by nature. (Romans 3:10-20) People are also seeking sin today because there is pleasure in sin, and people are seeking pleasure.

Only a fool would deny that there is pleasure in sin. In Luke 8:14 we are told about the "Pleasures of this life." In 2 Thessalonians 2:12 we read about the "pleasure in unrighteousness." In 2 Peter 2:13 God speaks of the "pleasure to riot." King Solomon described his quest for pleasure in Ecclesiastes 2:1-12. We are told in Hebrews 11:25 how Moses chose "to suffer affliction with the people of God, than to enjoy the pleasures of sin for a season." In this verse we see the trick to sin's pleasure. It is only for a season or specific time.

James describes the beginning and the end of sin. "But every man is tempted when he is drawn away of his own lust, and enticed. Then when lust hath conceived, it bringeth forth sin; and sin, when it is finished, bringeth forth death."

This is the first L.S.D. of Satan found in the Bible, Lust, Sin and Death. This death may even begin in this life. The Bible describes such a person in I Timothy 5:6, "But she that liveth in pleasure is dead while she liveth."

Many of us have looked into the empty, hollow eyes of alcoholics who are living dead men, living only for another drink. We have observed the dulled, depressed and bewildered mind of the young drug addict who is dead before he reaches 30 years of age. The only thrills left in life come from a needle, a pill or a bottle. Yes, sin is fun, but only for a season, when it is finished, it bringeth forth death.

Satan uses sin like we use rat poison. We expect the rat to eat rat poison because of the good food it contains. The rat may think we love him, but our motivation is to destroy him in the end. Even so, Satan is feeding multitudes of people who are enjoying the pleasures of sin. They are unaware that the pleasure Satan gives them through sin is a camouflage of their intended physical and spiritual destruction.

Dr. Charles Frohman, a research scientist for the Michigan Department of Mental Health, recently told of the following experiment: "Normal-

where would you go  
if you had  
\$100,000.00  
to invest?

good question.

With current money market conditions creating more questions than answers, and with Bank interest rates on regular savings accounts limited by law, just where would you turn for a maximum return on your \$100,000.00?

WE CALL IT OUR "BIG 100".

Requiring a minimum investment of \$100,000.00, and based on one-year maturity, our "Big 100" will deliver an annual return on investment that will withstand comparison anywhere.

AND WE DO MEAN — ANYWHERE.

Stop in soon at any area office of First Savings and get all the interesting facts. No need to bring your \$100,000.00 with you, we'll arrange transfer details once we've compared notes.

### Bits O' Talk

by Fay Bovee

On a recent trip to the West Coast, Robert Bovee called Mr. and Mrs. Emil Giegling in Pacific Grove, Cal. They are well and enjoy hearing about their former friends in the Avalanche. They send their regards to everyone.

Mr. and Mrs. Robert Bovee spent the weekend in Ann Arbor with their daughter, Dena. Dena moved last week and her parents took a load of her furniture down.

Mr. and Mrs. James Olender (nee Tracy Roper) have moved to Chelsea where they are managers of the Suckey's Pecan Shoppe.

Freezer treats Buster Bar, 6 for \$2.25. Grayling Dairy Queen.

Mr. and Mrs. Clarence Papendick and family took his parents, Mr. and Mrs. Gene Papendick, to dinner at the Holiday Inn one evening last week to celebrate Gene's birthday.

Sister Mary Janice Belan, Administrator of St. Laurence Hospital, formerly of Grayling, was an overnight guest of Mrs. Walter Truettner last week.

Mr. and Mrs. Sam (Louise) Murphy of Cocoa, Florida spent a few days visiting her parents, Mr. and Mrs. Joseph Kasper.

Mrs. Mary Bristow of Royal Oak, her son, Richard and guest, Ron, and Richard's son, Johnny, all of Madison Heights, are spending the week here. The men are getting in some hunting.

**8TH GRADE CANNING GROUP**—Pictured, left to right, are LaDonna Larange, Anita Amlotte, Tammy Welch and Carolyn Ayers, members of Mrs. Doty's 8th grade Home Economics class. The three classes meet two days a week and have recently been doing a canning unit in preparation for a later food unit. So far, they have canned 12 quarts of applesauce, 41 quarts of tomatoes, 6 quarts of sliced dill pickles and 10 jars of grape jelly. All of the food was donated. Mrs. Madill gave them a bushel of tomatoes for canning one for her. Other parents donated jars, apples, cucumbers and supported the project in other ways. It is much appreciated.

**HOT CHOCOLATE, ANYONE?** Shown, left to right, are Rosie Hoffman, Joan Baynham, Chris Gandy, Karen Harland, Dee Bindschattel, Cathy Czuba and Kay Malonen getting in some practice in the cooking department by mixing up a batch of hot chocolate for the Homecoming float committee. The girls are all members of Mrs. Doty's 8th grade Home Economics class.

## Viking J.V.'s Remain Undefeated With 22-8 Win at Rogers City

The Grayling J.V. football team remained undefeated with a hard fought 22-8 win over Rogers City last Thursday evening at Rogers City. The victory left the J.V. squad sporting a 5-0 season mark, best in the J.V. Conference.

The young Vikings jumped to a 14-0 first quarter lead with fullback Ed Ferrigan banging over from the one yard line behind guard Tom Miller's fine blocking. Miller received the coaches outstanding offensive lineman award for his evenings efforts. Will Roach then ran over the two point conversion. On the next offensive series, Roach broke outside for a 70 yard touchdown run.

After scoreless second and third quarters, Grayling put together a 94 yard drive with fullback Ferrigan going the last yard for the score. An Alan Johnston to Mike Money pass was good for the two point conversion.

Rogers City's lone score came on a nine yard run over end in the fourth quarter.

The defensive team responded well to a change this week in assistant coaches with Coach Tom Mills now acting as defensive coordinator for the squad. Grant Byce, back, and John Slater, noseguard, were the defensive leaders. Ferrigan and Miller alertly recovered opponent fumbles. Steve Olsen, back, and Bill Dean, linebacker, each intercepted a Rogers City pass attempt during the contest.

The Grayling J.V.'s are host to the Petoskey J.V.'s at the local field tonight (Thursday) at 6:30 p.m. They will be fighting to lengthen their eight game home winning streak and to keep sole possession of the Michigan Huron Shores J.V. conference lead. Petoskey will bring a 3-1-1 record into the game.

## Sgt. Midkiff In Hawaii Training

MAKAKILO, Hawaii—Technical Sergeant Robert H. Midkiff, son of Mrs. Dora E. Midkiff of Rt. 1, Frederic, is participating in a joint U.S. Air Force-Army training exercise in Hawaii.

Sergeant Midkiff is a weapons supervisor at Myrtle Beach AFB, S.C., with the 354th Tactical Fighter Wing. The 354th, which flies the A-7 Corsair fighter-bomber, is providing close air support for Hawaii-based Army forces, demonstrating their combat readiness.

A-7 crews and support personnel are operating from the U.S. Naval Air Station at Barber's Point, during the three-month long exercise.

The sergeant is a 1960 graduate of Frederic High School.

## How to be entertaining

"When he decided to give an international party in honor of his nation's birthday, the Shah of Iran dispatched agents across the world to buy a multi-million dollar collection of antiques to insure the comfort of his guests."

That's a quote from the society page of the Detroit Free Press. The article told how to entertain successfully. It was full of tips from "leading party-givers."

The Shah's party reminded me of my 40th birthday party. My wife dispatched an agent (me) to a local undertaker to borrow 6 folding chairs for the comfort of our guests.

Another tip: "Belgian-born actress" Mireille Wilkinson often entertains her guests with an invitation to meet the family pets, followed by a game of croquet on the front lawn of her Grosse Pointe home."

That's not such hot stuff. I gave a party starring a frog. It had escaped from my son's jar and I chased it all over the house, trying to capture it with a saucer. My plan was to slam the pan over the frog, thus jailing it to the floor. After dozens of abortive slams, a busted coffee table and a chipped sink, I finally pinned the frog to the carpet.

The next problem was to free the frog outside. Several guests said it should be killed, preferably flushed to death, but I insisted upon the humanitarian way. While loudly singing "Born Free," I slid the pan along the floor toward the door. Unfortunately, there were tri-level complications. It wasn't easy to keep that frog in captivity while going upstairs. The pan had to be handled with great dexterity. But I made it to the front lawn. The frog lived to croak again.

Our guests, considerably impressed, offered suitable toasts and

crowned me with a pith helmet hastily converted from a lampshade. You didn't read about it on the Society Page, but that's how to entertain, man.

Another Free Press tip: "Mireille Wilkinson depends on complete advance planning to free her once the party gets underway. Her dinners are cooked well in advance and frozen until they are needed."

Big deal. My wife cooks once a year, on Thanksgiving. She wraps the left-overs in foil and stacks them in the freezer. This not only feeds guests. It also feeds the family. Of course, she also gets catering aid from Sara Lee, Swanson and Colonel Sanders. This wise planning gives her enough time to mingle with the guests, monitor table manners, and run the world.

The Free Press recommends "dinners for groups that can be divided by eight for intimate seating."

We once had a party divisible by eight and the seating certainly was intimate — 8 people on every folding chair. We sat around and counted off. Every 8th person was required to sit on the bottom. These people were indelibly marked by the success of this party. The name of the undertaker was imprinted in reverse on their buttocks.

According to the Free Press, when Henry Ford II entertains, "his favorite guests call him Hank and he delights in leading the orchestra through 'When the Saints Come Marching In.'"

Me and Hank. That is also my favorite party song. I delight in playing a 33 rpm record of it at 45 rpm. If there are any saints around my house, I always say, they had better run, not march.

My favorite guests call me Stupid. †

## Hospital Auxiliary

The regular monthly meeting will be held this Thursday, October 10th at 1:30 p.m. in the Mercy Hospital North Wing dining room. This is the last meeting before our largest money making project of the year.

All members, and many friends of the Auxiliary, have done much to make our "Holiday Tea and Bazaar" a success. Many beautiful items will be for sale — a tea table and even sandwiches, so working people can come on their lunch hour. Come — help in this most worthwhile project.

Our goal is to pay for the special beds and then pick another item needed for the hospital and work to purchase whatever it may be.

Mark your calendar now — bring a friend or neighbor — come and spend an enjoyable afternoon on October 24th from 11 to 5 p.m. in the Mercy Hospital North Wing dining room.

### NOTICE OF INTENTION TO ISSUE INDUSTRIAL DEVELOPMENT REVENUE BONDS BY THE CITY OF GRAYLING, MICHIGAN AND RIGHT OF REFERENDUM

#### TO ALL ELECTORS OF THE CITY OF GRAYLING, MICHIGAN:

TAKE NOTICE that the Common Council of the City of Grayling intends to issue Industrial Development Revenue Bonds of the City in a principal amount not exceeding One million five hundred thousand (\$1,500,000.00) dollars maturing up to twenty (20) years from issuance at an interest rate not in excess of eight (8%) percent per annum, for the purpose of financing the cost of acquiring and adding to its industrial building together with necessary site and machinery and equipment therefor, as defined in Act No. 62, Public Acts of Michigan, 1963, as amended, and costs incidental to the issuance of said bonds. Said industrial building together with necessary site and machinery and equipment therefor will be leased to Victor Comptometer Corporation, an Illinois Corporation, Bear Archery Division, Grayling, Michigan. The obligations of Victor Comptometer Corporation, an Illinois Corporation, will be guaranteed by Victor Comptometer Corporation, an Illinois Corporation.

#### SOURCE OF PAYMENT

Said bonds will be issued in accordance with the provisions of Act No. 62, Public Acts of Michigan, 1963, as amended. Said bonds and the principal and interest thereon will not be a general obligation of the City of Grayling and will in no event be payable from any tax revenues or other general funds of the City of Grayling, but will be payable solely and only from payments to be received from Victor Comptometer Corporation, an Illinois Corporation, and other revenues, if any, derived from said industrial building together with necessary site and machinery and equipment therefor.

#### RIGHT OF REFERENDUM

This notice is given to and for the benefit of the electors of the City of Grayling, in order to inform them that said bonds will be issued without submitting the question of their issuance to the electors of the City, unless within forty-five (45) days from the publication of this notice, a petition signed by not less than five percent (5%) of the registered electors of the City, requesting a referendum upon the question of the issuance of said bonds, is filed with the City Clerk of the City of Grayling, in which event the bonds will not be issued unless and until approved by a majority of the electors of the City voting thereon at a general or special election.

THIS NOTICE is given by order of the Common Council of the City of Grayling, Michigan, pursuant to the requirements of Section 12 of Act 62, Public Acts of Michigan, 1963, as amended. Further information with respect to the Project to be financed, the revenue bonds to be issued and the right of referendum may be obtained from the undersigned.

## Living cost tops list of concerns for most

What's the number one problem on the minds of folks these days?

In the southern Michigan third congressional district at any rate, there's no doubt: It's the high cost of living.

Number One comes as no surprise in the results of a U.S. Rep. poll recently reported by U.S. Rep. Garry Brown of Kalamazoo, whose 3rd district rambles across south-central Michigan.

Such polls are subject to considerable abuse by office holders, who sometimes are able to shape the results by such means as how the questions are structured, and who usually are able to use most poll results to confirm previously held biases.

Nevertheless, the Brown poll is interesting. It must be accurate, too, because the ranking of answers to the "what is the most important problem facing this country today" questions coincides roughly with my own opinion.

It doesn't take much science to be able to contend with accuracy that high prices on almost everything, and trying to satisfy their needs within the limits of their resources—that is, the high cost of living—is uppermost in most folks' minds these days.

Garry Brown's poll thus verifies the obvious.

The comparative ranking of other problems is interesting, too.

Here's how the "nearly 10,000 district residents" in the 3rd district who responded to Brown's poll rate the nation's problems:

1. High cost of living generally.
2. Dissatisfaction with government or corruption in government.
3. Energy crisis and high cost of fuels.
4. Crime and lawlessness.

5. Unemployment and economic slowdown.
6. Tax reform.
7. Welfare reform.
8. Environmental deterioration.
9. Campaign reforms.
10. International problems.
11. Consumer protection.

And how does this set of priorities line up with your own rank of concern about where we are and where we're heading?

### THE COST OF CHEESE

Staying with the congressional scene for a moment...

U.S. Rep. H. R. Gross of Iowa is retiring after this year following a quarter-century in Congress. He had made it his long-standing practice to flyspeck various efforts at legislation, in what one correspondent described as "an unrelenting campaign to eliminate wasteful government spending."

On the wall of Rep. Gross' Washington office are two signs, which succinctly spell out the message Mr. Gross has been trying to put across for his 25 years in Washington.

One sign reads like this: "Nothing is easier than the expenditure of public money. It does not appear to belong to anybody. The temptation is overwhelming to bestow it on somebody."

And the other sign declares simply: "There is always free cheese in a mousetrap."

### THIS WEEK'S CLOSER:

Here's another sobering statistic to drop casually into a conversation sometime when there's a lull in the discussion:

In 1913, when the federal income tax was adopted, only 4 percent of Americans filed income tax returns. The current figure is close to 60 percent.

## Grayling Golfers Place 3rd

Grayling golfers traveled to St. Ignace and placed third behind St. Ignace and Petoskey. The scores were Petoskey, 165, St. Ignace 166, and Grayling 178.

Dave King tied T. Warek of Petoskey for medalist with a 39.

On their home course they defeated Roseconne, 167 to 193. Dave King was again the meet medalist coming in with a 37.

They were also able to slip by Boyne City. 182 to 187, with Steve Winger being medalist with a 40.

## 2000 mile Bicycle Ride

## Travel And Adventure Season To Open Tuesday, October 15th

LOGAN PASS, Glacier National Park on the Canadian Border in Montana, 6,664 feet in elevation and the end of a 2,000 mile safari on ten speed bicycles. Mr. Julian Gromer who traveled with the Wandering Wheels on this journey will be appearing at the Joseph Stripe Auditorium on Tuesday evening, October 15th narrating live his exciting full color film of this exciting trip.

Tuesday evening, October 15th will mark the beginning of the Second Annual Travel and Adventure Series sponsored by the Crawford AuSable Community School Program. Opening this year's season in the Joseph Stripe Auditorium will be Julian Gromer, one of the real favorites of travelogue audiences across the country. Mr. Gromer will be narrating, live and in person, his fascinating and exciting film documentary of a 2,000 mile ride on ten speed bicycles from Nogales, Mexico to the Canadian Border. Traveling with Wandering Wheels, a bicycling group of 38 young men, Mr. Gromer captured on film the beauty of the vast and fascinating Arizona Desert, bustling Phoenix, the sparkling beauty of Cathedral Rocks, famous Oak Creek Canyon and on into the land of the "Inverted Mountains" of Grand Canyon, Zion and Bryce Canyons.

After a stop at Glen Canyon Dam the riders roll on into Zion National Park where the Virgin River has carved formations of rare beauty, then northward across the colorful state of Utah, across the southeast corner of Idaho and on into fabulous Wyoming where they ride the rapids of the Snake River in rubber boats.

The cyclists seem to ride on "Cloud Nine" as they pedal into Grand Teton National Park and on into the most famous of all parks, Yellowstone where they marvel at the lakes, pools, mudpots, waterfalls and wildlife.

Glacier National Park is surely the perfect place to climax a 2,000 mile mountain safari on bicycles. They pedal up the steep mountain grades with ease and go screaming down the narrow, twisting roads at breakneck speeds. A bike rodeo is held as a celebration with much humor and many surprises.

"A Mountain Safari On Bicycles" is certainly an adventure that the entire family will enjoy. Mr. Gromer's talent as a photographer is surpassed by few and his humorous and informative narrations do much to enhance the beauty of the film. An added attraction in this film will be a demonstration of a device invented by Mr. Gromer which permits the audience to see crystals grow right before their eyes.

Season tickets for this, and the five programs which will follow are still available and will be on sale at the door Tuesday evening. Cost for adults for the entire series is \$8.00, while children under 12 and senior citizens may purchase a season pass for only \$5.00. Tickets to the individual shows will be available at the door also. Price for single admission is \$2.00 for adults and \$1.50 for children and senior citizens.

## Allen-Yarsevich Wed in Lansing

Ronda Lynn Allen, daughter of Mr. and Mrs. Dale Allen of Lansing, became the bride of Ronald A. Yarsevich, son of Mr. and Mrs. Carl Yarsevich, also of Lansing, in a double ring ceremony Saturday, August 24th, at St. Therese Church in Lansing. Father Murray officiated at the 2:30 ceremony.

Given in marriage by her father, the bride was attired in a white organza gown, fashioned with lace bodice, high neck and long sleeves. One tier of lace trimmed the sweep chapel train. Her veil was held in place with a lace headpiece matching the bodice and she carried a bouquet of white carnations and blue rosebuds.

Pamela Wartman served as maid of honor. Bridesmaids were Sherry Casler, Sue Simmons, Peggy and Mary Brooks. Junior bridesmaids were the bride's sister, Denise Allen, and the groom's sister, Evah Yarsevich. Another sister of the groom, Mary Yarsevich, was flower girl. They all wore blue flowered dresses with white hats. Their bouquets were of blue carnations with a white rose which were arranged by the bride and her maid of honor.

Serving as best man was Michael Grove. Groomsmen were Alvin Snyder, Larry Casler, Rick Allen and the groom's brothers, Carl Jr. and Kenneth Yarsevich. The bride's cousin, Clark Allen, was ring-bearer.

Mrs. Allen chose a floor length gown of beige trimmed in gold for her daughter's wedding. Mrs. Yarsevich, the groom's mother, chose a floor length gown of light blue.

A reception followed the ceremony at the church hall. Following a week's trip to Niagara Falls and Upper Michigan, the newlyweds are making their home at Spartan Village, on the Michigan State University campus, where the groom is a junior.

Ronda is the granddaughter of Mr. and Mrs. Kenneth Allen of Frederic.

Out of town guests were

from Frederic, Kalkaska, Newaygo, Atlanta, Owosso, Flint, Detroit, Royal Oak and Jackson. Out of state guests were from Pennsylvania and Wisconsin.

### Bride Elect

Mrs. Jennie R. Coffman of Grayling announces the engagement of her daughter, Ronda, to Alex Auman of Roscommon, son of Mr. and Mrs. Robert Auman of Southfield. Ronda will be a 1975 graduate of Grayling High School. Alex was a 1973 graduate of Southfield Lathrup High. A November 23rd wedding is being planned.

### Marriage Announced

Mrs. Elma Combs is pleased to announce the marriage of her son, Roger Galloway of Flint, to Elizabeth McCalmon of Tawas. The marriage took place September 27th before the immediate family at the Bethel Baptist Church in Flint.

The couple's attendants were the groom's sister and brother-in-law, Mr. and Mrs. Grant Thompson. A dinner reception followed the ceremony at the Stables Restaurant.

## your week ahead BY DR. A.W. DAMIS

Forecast Period: October 12 To October 19

### ARIES

Mar. 21 - Apr. 19

You are entering a cosmic cycle of new starts and beginnings, long delayed. As a matter of fact, you'll make your presence felt. So, this week, it's a fresh cut at the opposition!

### TAURUS

Apr. 20 - May 20

At last! It seems as though most members of your sign will break loose from a boring situation. Also, it's not beyond you to provoke the opposite sex.

### GEMINI

May 21 - June 20

Hold the line on your budget! Should you spend a little extra... you will concede far beyond what you intend. In short, it's not the time to buy luxuries.

### MOONCHILD

June 21 - July 22

According to your chart, you'll be dealing with someone who is honest... but, hopeless. What is more, you'll be forced to hurt their feelings.

### LEO

July 23 - Aug. 22

Take care, beware! It seems as though you might overlook a "minor" detail. So? This oversight, on your part, could develop into a wasteful, time consuming monster.

### VIRGO

Aug. 23 - Sept. 22

Promises seem to be the big thing, this week! Don't let an associate cross your wires by promising you big financial gains—a little farther down the road.

### LIBRA

Sept. 23 - Oct. 22

It's not the time for the "knee jerks." According to your chart, an opportunity for a long term financial gain will appear. But, a soul searching sacrifice will be involved.

### SCORPIO

Oct. 23 - Nov. 21

Your personal magnetism is at a high level. As a matter of fact, you will be surprised at the ease with which you'll persuade and convince.

### SAGITTARIUS

Nov. 22 - Dec. 21

Most members of your sign will enter an entirely new social circle. Here's the point: Don't close the door on old associates; while opening for the new.

### CAPRICORN

Dec. 22 - Jan. 19

Stellar patterns take on a favorable alignment for Capricorns! It seems as though your job, task or project will hit a new high. It all depends on you, of course.

### AQUARIUS

Jan. 20 - Feb. 18

It's not the time to toss money and love about—like a drunken sailor in Paris. It's mischief on the march for many under your sign.

### PISCES

Feb. 19 - Mar. 20

Don't let a friend of a friend involve you in their personal affairs. Becoming part of someone else's problems might be your downfall, this week!

## Attend The Church Of Your Choice

**"AND, BEHOLD, IT WAS VERY GOOD"**

Not long ago I was driving home along the parkway, depressed and worried by many problems. The day was bleak and gloomy. Huge clouds boiled and churned above dark, forbidding mountains. Even the foliage hung limp and still.

Suddenly the clouds parted and a ray of sun streaked through. In that fleeting moment the landscape became beautiful—grayness transformed into mauves, deep blues and lively greens. It was like watching Creation. For the first time in a long time, I thought of God. And I prayed as I had been taught long ago in my church.

That was a turning point. Since then God and His Church have once more become a part of my life, and my problems have disappeared in a way I never dreamed possible.

God's goodness is always present. Go to your church, and learn the truths that can transform your life.

### Chamber Joins Snowmobile Association

For the benefit of those businesses in the Grayling region who cater to snowmobilers, the Grayling Regional Chamber of Commerce has joined the Michigan International Snowmobile Association.

As a member of this organization, we have received a complete and up-to-date mailing list of the 154 affiliated snowmobile clubs who belong to MISA.

This list is available to Chamber members only for direct mail purposes and can be had by visiting the office of the Grayling Regional Chamber of Commerce. Please call one or two days in advance before you make your visit so that the proper copies will be ready for you upon your arrival.

### Darling-Kerekes Vows Spoken

Keyna May Darling, daughter of Mr. and Mrs. LeRoy Darling of 104 Madsen St., Grayling, became the bride of David Lee Kerekes, son of Mr. and Mrs. Bert Kerekes of Perrysburg, Ohio, on Saturday, September 14th, at Michelson Memorial United Methodist Church. Rev. Paul C. Frederick officiated at the double ring two o'clock ceremony before about 50 guests.

Mrs. Linda Townsend presided at the organ, playing "Bridal Chorus" and "Recessional." A trio, composed of Dean Darling, Sue Kitch and Cheryl Arwood, sang "If" and "The Wedding Song." Altar decorations were composed of two vases of yellow and white shasta daisies and glads.

The bride, who was given in marriage by her father, wore a gown of layered lace with full sleeves and a long train. Her headpiece consisted of a Juliet cap which held her bridal veil and she carried a bouquet of white and yellow shasta daisies.

Miss Rebecca Nelson of Grayling was maid of honor. She carried a small replica of the bride's bouquet and wore a dress of pale yellow dotted swiss and a white straw hat.

Serving as best man was the groom's brother-in-law, James Kirt of Swartz Creek. Ushers were Jeffery Kerekes and Richard Kerekes, brothers of the groom, from Perrysburg, Ohio.

A reception following the ceremony was held at the home of the bride's parents. Table decorations consisted of two cut glass bowls of yellow and white daisies.

Following a honeymoon trip to the Upper Peninsula, the newlyweds are making their home at 443 E. Front St. in Traverse City.

For her daughter's wedding, Mrs. Darling wore a full length dress of slate blue with white polka dots and white knit top, featuring a short jacket, and white accessories. The groom's mother chose a long dress of peacock blue double knit with multi-color accessories. Both had corsages of yellow and white carnations.

For her going away costume, the bride wore a pink blazer with pink and gray plaid slacks. The new Mrs. Kerekes is a 1974 graduate of Grayling High School. Her husband graduated from Fenton High School in 1972.

Out of town guests attending were Mr. and Mrs. Bert Kerekes and family of Perrysburg, Ohio; Mr. and Mrs. James Kirt of Flint; Mr. and Mrs. Maitland Cudney of St. Ignace; Mr. and Mrs. Monica Schafer of Detroit and Mr. and Mrs. Albert Alberling of Toledo, Ohio.

### Frederic News

by Arlein Kesby

Mr. and Mrs. Jack Kesby spent Saturday in Ovid to attend the wedding of Mr. Chandler Gleason and Mrs. Leta Parker. While down there they visited friends in Ovid and St. John.

Sunday evening dinner guests of the Jack Kesby's were Mr. and Mrs. John Kesby.

First Baptist Church of Frederic Mr. and Mrs. Melvin Porter of Waseon, Ohio accompanied by their daughter Merna and husband, also their friends, attended our morning service on Sunday. The Porters rendered three lovely duets. They were "Trusting in thee Lord," "Resting in the Love of Jesus," and "My Wonderful Lord." We also had visitors from near Birmingham, Battle Creek and Gaylord. They were also in the service. Mrs. Bill Welsh and daughter Christine from Garden City also attended. Christine played a piano solo entitled "Fairest Lord Jesus." We want to thank all our visitors for their presence.

### New Full-Size City-County Map Available

The Grayling Regional Chamber of Commerce announced today that the new full-size City of Grayling-County of Crawford Maps are now available at the Chamber office.

The map has been entirely updated as to snowmobile trails, campgrounds, and cross country ski areas in the County. Further, it has pertinent information as to major buildings in the City.

The maps will be sold to Chamber members at the cost only price, and to all others at 25cents per copy. This charge is necessitated by the increased cost factor, and is quite an acceptable practice throughout the state. The reduced size map will still be in the centerfold section of the 1974-75 Brochure/Business Directory for which there is no charge.

Chamber members may ascertain what their map costs will be for the full-size map by calling the Chamber office.

### Notice of Hearing Before The Michigan Public Service Commission

On July 15, 1974, Michigan Consolidated Gas Company applied to the Michigan Public Service Commission under §7 of 1919 PA 419 (MCLA 460.57), for approval of an amendment to Rule 10 of Michigan Consolidated's Schedule of Rules, Regulations and Rates Governing the Sale of Gas (M.P.S.C. No. 3) which would authorize procedures whereby certain of Michigan Consolidated's residential heating customers may elect to have their gas meters read only once a year. (Case No. U-4629.) Rule 10 now states that Michigan Consolidated makes "every reasonable effort" to read residential customers' meters at least once every three months. In practice, the Company attempts to read residential customers' meters once every two months.

The application states that over 300,000 of Michigan Consolidated's approximately 850,000 residential heating customers participate in a budget payment plan which permits such customers to pay their annual gas bills in 12 approximately equal installments adjusted annually for actual gas consumption. The application further states that the only meter reading which affects the bills of budget-plan customers is the one on which the annual adjustment is based. Applicant represents that it has received numerous complaints about bi-monthly meter readings from budget-plan customers who consider frequent meter readings unnecessary and annoying.

Accordingly, Michigan Consolidated proposes to amend its Rule 10 to provide that it will make every reasonable effort to read meters at least once in three months "except in the case of a customer (a) who is participating in a budget program under which he pays for annual gas consumption in approximately equal monthly installments and (b) who has made and kept in effect an election to have his meter read annually." Michigan Consolidated also proposes to amend its Rule 10 to provide

that when a meter reading is for any reason unavailable it will render an estimated interim bill "unless the customer is participating in a budget program under which he pays for annual gas consumption in approximately equal monthly installments." Michigan Consolidated requests that the Commission approve the foregoing amendments to its Rule 10.

The application states that Michigan Consolidated's proposed Annual Meter Read Program would be offered to budget-plan residential heating customers on a purely voluntary basis and that customers who elect to participate would have the option of withdrawing at any time.

A public hearing will be held at 9:30 a.m. on October 24, 1974, in the offices of the Commission, Law Building, Lansing, Michigan 48913 for the purpose of determining whether the approval sought should be granted. Any person interested in the hearing but not desiring to formally intervene may attend and participate by making a position statement pursuant to the provisions of Rule 16 of the Commission's Rules of Practice and Procedure. Persons seeking to formally intervene as a party to the proceeding shall strictly comply with Rule 11 of the Commission's Rules of Practice and Procedure by filing with the Michigan Public Service Commission, Law Building, Lansing, Michigan 48913, at least five (5) days prior to October 24, 1974, an original and six (6) copies of petition to intervene, together with proof of service upon Michigan Consolidated Gas Company, Legal Department, One Woodward Avenue, Detroit, Michigan 48226. Copies of the application may be obtained from the Secretary of the Commission, Law Building, Lansing, Michigan 48913, or the Secretary of Michigan Consolidated Gas Company, One Woodward Avenue, Detroit, Michigan 48226.

This Notice is published by direction of the Michigan Public Service Commission.

## PROPOSAL A

### PROPOSED CONSTITUTIONAL AMENDMENT

(AMENDMENT TO ARTICLE 9, SECTION 9 OF THE STATE CONSTITUTION PROPOSED BY LEGISLATURE TO PROHIBIT USE OF MOTOR FUEL TAX FUNDS FOR HIGHWAY PATROL PURPOSES AND LIMIT THE USE OF MOTOR FUEL TAX FUNDS FOR PUBLIC TRANSPORTATION TO 1/18th OF THE AMOUNT RECEIVED

Article 9, Section 9 will read as follows, if the proposed amendment is adopted:

Sec. 9. All specific taxes, except general sales and use taxes and regulatory fees, imposed directly or indirectly on fuels sold or used to propel motor vehicles upon highways and on registered motor vehicles shall, after the payment of necessary collection expenses, be used exclusively for highway purposes as defined by law. None of the revenues from such specific taxes shall be used for any highway patrol purposes by law enforcement agencies. Not more than one eighteenth of the tax on motor fuels may be diverted from highway purposes for public transportation purposes as defined by law.

Article 9, Section 9 now reads as follows:

Sec. 9. All specific taxes, except general sales and use taxes and regulatory fees, imposed directly or indirectly on fuels sold or used to propel motor vehicles upon highways and on registered motor vehicles shall, after the payment of necessary collection expenses, be used exclusively for highway purposes as defined by law.

This proposal will appear on the ballot as follows:

## PROPOSAL A

### LIMITING USE OF MOTOR FUEL TAX FUND

The proposed constitutional amendment would:

- (1) Prohibit the use of motor fuel tax funds by law enforcement agencies for highway patrol purposes; and
- (2) Limit the use of motor fuel tax funds for public transportation to 1/18th of the amount received.

Should this constitutional amendment be adopted?

## Study Released On The Mood of American Youth

Cynical. Apathetic. Optimistic. Rebellious. Thoughtful. Cooperative. Serious. What IS the mood of youth in the America of the Seventies?

As students return to school this fall, high school principals, teachers, and parents are looking eagerly for answers. Many of them are revealed in The Mood of American Youth, a recent study by the National Association of Secondary School Principals and the Gilbert Youth Research Corp. of New York.

"The study shows that most students today want to work within the system," said Kent Reynolds, Principal of Grayling High School. "Many of our students perform volunteer work through the school, their churches, and other organizations—and many more are interested in doing so."

Interviews with High School students throughout the nation probed their attitudes on education, work, school activities, parents and family, marriage, politics, religion, the use of leisure time and the future of American society. The survey shows that students today are cautiously optimistic about their life as adults of the Eighties. Young people feel:

-that their schools are providing them with a satisfactory education (77%); 99% plan to finish high school.

-that happiness at home (92%) is more important than fame (less than 2%); a good family life attracts far more high school students (74%) than a lifetime of interesting experiences (25%).

-that high school students should have the opportunity to work part time during the school year (84%).

-that participation in politics is distasteful, but that voting is a civic responsibility. 78% plan to vote in every election for which they're eligible, but only one in ten would be willing to run for public office.

-that social reform should be accomplished peacefully through community service rather than radical upheaval; 43% are already involved in community service; 59% would like to be more involved, and over 40% plan to expand or continue their involvement after high school.

-that goals are important and that hard work will be necessary to achieve them (95%).

-that these goals will center around completing an education (35%), finding a job (52%), and settling into marriage and a family (46%).

-that most difficulties with their parents are a result of communication problems, rather than deep philosophical divisions. Less than 5% of the students expressed strong disagreement with their parents' ideas on politics, clothing styles, choice of friends, religion, education, drugs and work, but 16% said they could not accept their parents' ideas on sex.

-that overpopulation (23%) and ecology (36%) are today's two most important global issues; poverty (20%) and the threat of a third world war (21%) were also on the students' minds.

-that political change can be accomplished by working within the government. Over 50% feel that the present constitutional government serves U.S. citizens well; less than 6% said it should be abolished in favor of another form.

The full report on the Mood of American Youth will be released by NASSP in October. The National Association on Secondary School Principals is a non-profit association serving 35,000 secondary school administrators, headquartered in the Washington, D.C. area.

## Road Commission Minutes

September 20, 1974

A regular meeting of the Board of Crawford County Road Commissioners held in their office in Grayling. Chairman Richter presiding. Members present, Commissioners Ervin E. Richter, Harold T. Johnson and Lawrence Mattis, and Engineer Manager John M. Keir. Absent, none.

The minutes of the last regular and special meetings were read. A motion was made by Comm. Mattis, supported by Comm. Johnson that the minutes be approved as read. All voted in favor, motion carried.

Voucher No. 437 covering Payroll No. 19 in the amount of \$15,280.73 and Vouchers No. 438 to 462 covering Materials in the amount of \$13,112.78 were presented for approval. A motion was made by Comm. Johnson, supported by Comm. Mattis that Vouchers No. 437 to 462 be approved and warrants drawn in their respective amounts. All voted in favor, motion carried.

The State Maintenance Contract was discussed and a questionnaire on that subject was completed to be submitted to the Vacationland Conference for study and discussion.

The final plat plan of "Flora Fauna" subdivision was presented for approval, and being approved was signed by the Road Commission.

A petition was received from home owners on Maybelle Place, North of M 72, for maintenance. Since Maybelle Place is a public platted street and meets minimum Road Commission standards, it will be maintained as requested.

An application was received from Michigan Consolidated Gas Company for a permit to install gas main to serve new customers on Crestwood Drive in Grayling Township. The permit was approved and signed by the Commissioners.

An application was received from General Telephone Company to bury cable along the Mt. Frederick Road in Frederick Township. The permit was approved and signed by the Commissioners.

Applications were received from Consumers Power Company for permits to: install underground electric distribution system in the Plat of Sharwood Forest No. 2, Grayling Township, to 1132 DeWitt Trail in South Branch Township. The permits were approved and signed by the Commissioners.

The Commissioners and Engr. Mgr. Keir met with Prosecuting Attorney John Huss in regard to a road blockage in Lovells Township.

There being no further business, a motion was made and supported to adjourn. All voting in favor, motion carried, meeting adjourned.

Ervin E. Richter, Chairman  
Florence S. Douglas, Secretary

## Educators To Meet

If you are an educator interested in increasing your effectiveness, you will want to attend the Regional Educational Media Center's 1st Annual Media Display and In-service Day to be held October 10th at the Gaylord Community Schools, Gaylord, Mich. In-service meetings and the programs begin at 10 a.m. Exhibits are open from 12:30 p.m. till 8:30 p.m. This is a great opportunity to share new ideas in education.

## Home Extension

Home-made rugs and how to make them was the subject of study by the Good Morning Home Extension Group at their October 1st meeting. Mrs. Dean Taylor, hostess, showed woven and braided rugs and discussed ways of making them of used materials. Beautiful, even luxurious rugs can be made very inexpensively at home.

Mrs. Allen Van Nuck showed how to make bread wrapper rugs. Other types of plastic bags can also be used. These mats work well out of doors or inside the house.

Co-hostess for the meeting was Mrs. David Habbitt. Mrs. William Decker was appointed Cultural Arts Chairman and Mrs. Taylor agreed to be scribe.

Preparations for the annual Area 16 Christmas Tea were discussed. It will be held December 5th. Decorations will be made at our November meeting.

Membership in the Good Morning Group, sponsored by the Michigan Cooperative Home Extension Service, is open. We welcome newcomers to the community as well as long time residents. For information contact any member or call Mrs. Taylor at 348-7156. Come to our November meeting. Group chairman is Mrs. William Millard and the Area 16 Home Economist is Mrs. Marilee Baldwin of Roscommon.

Mrs. Jerry Morford, 1101 Ogemaw, Grayling, will be our next hostess. The meeting will be held November 5th, Tues. day, at 9:30 a.m.

Dear Sir,  
I am writing this letter to rebut the letter in the September 12 issue of the Avalanche from G.W. Harding. The writer complained long and loud about the motorcycles going past his (her) house, and the apparent lack of law enforcement on the part of the Crawford County Sheriff's Department.

I think that G.W. Harding should check into the facts a little more closely before making such rash comments.

All one has to do is read the Avalanche to find out just how effective the Sheriff's Department really is. In that same issue, on page one is an article about the involvement of the Sheriff's Department in a seven day search for a missing Bay City man. That takes manpower and time.

Right below that article is one about five persons being bound over to Circuit court; two for drugs, two for possession of stolen property, and one for breaking and entering. That takes work, lots of it that people don't ever see or hear about.

On page 5 is an article about three people appearing in District court. Two were arrested by the Sheriff's Department, the third could have been - it doesn't say.

These are the people that your Sheriff's Department SHOULD be going after and getting. Sure, those motorcyclists are annoying, but they

aren't hurting anybody.

They aren't out selling drugs to the kids in school, possibly your kids. And they aren't out driving under the influence of liquor, being too drunk to see a little child run out in front of them. Possibly your child. And they aren't breaking into your house and stealing your prized possessions. No, they are out just having a little fun on a weekend. Which is what they came North for the weekend to do.

And possibly the Sheriff's Department realized this when they weren't too quick to answer your complaint. Perhaps they were too busy with little things like tracking down a pusher, or stopping a drunk driver.

Mr. G.W. Harding, I hope they stay too busy with those "little" things. I like to visit Crawford County, and I like to be safe when I come. I think many of your fellow county residents like this feeling also.

## Goss-Reed Speak Vows Sept. 14

On Saturday, September 14, at two o'clock in St. Mary's Catholic Church, Gail Leslie Goss and Randy Arlan Reed exchanged wedding vows before an altar of white carnations and pink and blue daisies. Father Neis officiated at the double ring ceremony before approximately 150 guests.

The bride, who was given in marriage by her father, chose an A-line gown of dacron organza with ruffled Nottingham lace trim, designed with a lace bodice, Bishop sleeves, apron effect skirt front, raised waist and an attached sheer chapel train. A beaded, ruffled lace cap secured her veil of bridal illusion and she carried a bouquet of pink and blue daisies amidst white carnations and baby's breath.

Miss Julie Goss, sister of the bride, was maid of honor and Mary Goss was bridesmaid. They wore baby blue A-line dotted swiss dresses with blue crepe trim and white straw hats. They each carried a mixed bouquet of pink and blue daisies and greens.

The groom's attendants were Rod Dunkley, who served as best man, and Rick Reed, brother of the groom, who was groomsman. David Goss, brother of the bride, and Eugene Day were ushers.

The mothers wore floor length gowns and were presented with corsages of miniature white carnations. A reception followed the ceremony at the Enlisted Men's Club at Camp Grayling. Music was provided for the guests by Triad. Following a short wedding trip to Mackinac Island, they will be making their home in Traverse City where Gail is in her last year of nursing and Randy is employed with Shell Oil Co.

Those attending from out of

town were from Indiana, Pinconning, Bay City, East Lansing, Midland, Rosecommon, Mt. Pleasant, Marquette and Fenton.

A rehearsal dinner was given by the groom's parents at Chief Shopenagon's Hotel.

**Alumni News**

It was a success last Saturday night. Our dinner was delicious, the program was brief and the After-Glow was fun. Details next week.  
No time to write it up as we are off to see Judy in General Hospital, Bay City. She would have been one of the Reception Committee but she didn't get here.  
There is one thing that puzzles me - and all the Alumni who came from out of town to see their school friends - where were the local people? I truly had no answer for them.

**MPSC Approves Rate Hike For Electric Co.**

LANSING — The Michigan Public Service Commission has approved a 14.5 per cent rate hike for Top O'Michigan Rural Electric Company, increasing the company's income by \$799,000 annually.  
The company, located in Boyne City, supplies electric power to 24,000 customers in portions of Antrim, Charlevoix, Cheboygan, Crawford, Emmet, Grand Traverse, Kalkaska, Missaukee, Montmorency, Oscoda, Otsego and Wexford counties in northern Lower Michigan.

Residential rates as a whole will increase an average of 12.8 per cent, according to the Commission. A homeowner using 500 kilowatt hours of electricity per month would pay approximately \$3.85 per month more under the new schedule. Late payment penalties for residential customers were eliminated.

In granting the rate hike, the Commission stated that the company's revenue growth has not kept pace with cost increases and that 1973 operations produced an operating deficit which, if continued, could prevent the company from fulfilling its mortgage obligations to the Rural Electrification Administration, (REA), and the National Rural Utilities Cooperative Finance Corporation, (CFC). The company would then be in technical default as a borrower from its only money sources and would be unable to obtain capital necessary for future plant expansion, the Commission said.

Top O'Michigan's application for a rate increase was filed June 27, 1974.

**Class of 1924 Celebrates 50th Reunion**

[Special to The Avalanche]

Immediately after the football game, several members of the class of 1924 met in the cocktail lounge at Chief Shoppenagons Hotel, preceding the banquet. Those present out of the original class membership of 31 (which, incidentally, was the largest up to that time in GHS) were Findley Klingensmith, Carl Olsen, Wes LaGrow, Beulah Collins Moore, Claribel Lovely Goss, Helen Ziebell Catlin, Bernice McNeven Smith, and Loretta McDonnell Dingeman.

While we wished we could have had a larger attendance, several had passed away and others lived at a far distance. One member, George Granger, sent a letter of regret which was read at the banquet. He was unable to attend due to illness in his family.

The conversation was of a nostalgic nature and all agreed that 50 years (and many pounds ago) had dealt kindly with one and all. "Forward" was our class motto and we all seemed to have achieved that goal. We celebrated our 25th reunion in 1949 and several of us had not seen each other since that time.

The banquet was delightful as we met many others from other classes. The dinner was delicious and our class was given a nice "honorable mention" with all our members standing.

The "Afterglow" at the Club was the ending of a perfect reunion. While we cannot hope to meet in 1999 for our 75th reunion, we hope to see each other at 5 or 10 year intervals.

No friendships in the world are greater than those made in high school days.

**Hospital News**

The following are among the patients at Mercy Hospital this week: Elsie Andersen, Eva Barri, Richard Canfield, Lela Conquergood, Elmer Hanover, Agnes Hanson, Bethal Ingalls, John Lisman, Betty Moggo, Anthony Nelson, Danny Sattler, Thorvald Sorenson, Ella Weaver and Jensen Ziebell, all of Grayling; Homer Dumont and Leonda Jones of Frederic.  
Pfc. and Mrs. Dannie Ingalls of Grayling are happy over the arrival of a daughter, Cheri Lynn, on October 6th. The little lady weighed in at 7 lbs. 5½ ozs.
